

May 1, 2008

Dear Families,

I would like to let you know that The Musik Place may close before the end of the semester. I will try to give all families as much notice as possible before this happens; however, I do need to take advantage of finding a subtenant for the remainder of my lease, and they may take over the premises before June 30th, 2008.

I will let you know the exact closing date for the studio at least one week in advance. Until then, all classes will run as scheduled here at the studio.

If the studio closes before the end of the semester, I will notify all Family, Toddler, Preschool and Young Musician 1 students of your last class of the year. For families in these classes who have paid the Winter/Spring semester in full, you will receive a check from The Musik Place to refund tuition for any remaining weeks of the semester. Families in the above classes who are paying monthly will not have the May tuition taken from their account until the end of the month. June tuition will be done at the end of the month as well if we do have classes into June.

If the The Musik Place closes before the end of the semester, only Young Musician 2, piano, guitar and flute students will continue classes at my home until their recital on June 7th, 2008, which will then be their last class for this school year. Larisa, Ryan and I will teach the piano and guitar classes at their regular times and days up until the recital at:

16915 NE 43rd Court, Redmond, WA 98052

I will be selling many things from the studio and several of you have requested specific items. I will let you know the exact date of the studio "Garage Sale" when I have confirmation of a closing date. Books, furniture, instruments, toys, craft items, music and many other things will be available for purchase at that time.

I appreciate your patience and understanding as we go through this difficult time. Please do not hesitate to contact me with questions or concerns you may have as the semester comes to a close.

Miss Cynthia
